

Dine-Rewards Points Transfer!

Follow the following Steps to get the new Ovation Web-app and transfer all your earned points!

1. Open your **camera app and scan** this QR code for login page :
2. **Save our web-app to your home screen** for easy access.
3. Create a profile. By using your **old rewards email address** or **cell phone number** this will link the two accounts and your points will automatically transfer over.
4. When you come in to dine, **tell your server the cell phone number** your registered in your profile from #3 and we will see all the rewards that you see on your app and you can choose what you would like to redeem.
5. That's it! For more info on the new Ovation Bistro Dine-Rewards please visit: ovationbistro.com/specials. You can also sign up on this page.

*Note: If you never registered your Card with the toast reward account and only have redeemed point by using a gift card or credit card; we will manually transfer the points to your new account. You must **create a profile** from step #3 above. Please email me your old reward card number and the cell phone number registered from step #3: **Send the info to info@ovationbistro.com***

We thank you for your continued support, we could not do it without you! -Team Ovation
